

Day 6

Day 6: You've been with us through this week. Tomorrow we will be gathering to pray and fast. Today, I want you to stop and listen. Listen to what God is asking of you. Before you go any further, turn off the music, turn off the tv, and just be silent.

As you pray, pray for the following.

- That you would hear God speaking in your life (no it may not be audibly)
- That God would speak to you through His Word (you might want to open your Bible)
- That God would help you to be silent with Him.

That's it... Go pray! Silence is hard, but God wants us to be silent with Him.
